USA Dance 2016 National Election Results

Official Results and Vote Count -- Finalized Nov. 28, 2016

Results:

Turnout: 836 (7.6%) of 10984 electors voted in this ballot.

Note: 17 votes were manually input online by the Tellers. These were the valid votes originally printed in the American Dancer, validly completed by the electors and mailed via USPS to the National Elections Director.

Note: 24 votes were added to the totals for Vice President for DanceSport to account for the change in USA Dance bylaws made on 5 November 2016. The change allowed DanceSport Officials and DanceSport Supporters to vote for Vice President for DanceSport. These votes were made via "mini" ballots that were emailed to the appropriate electors, printed, validly completed by the elector and mailed via USPS to the National Elections Director.
