

National Governing Body of DanceSport, Member Organization of the US Olympic Committee,
and the World DanceSport Federation

Executive Committee Report – 12/31/2017

The Executive Committee received the Investigators Report, Mr. Michael Murphy (appointed by President Glenn Weiss, per USA Dance Bylaws version 2017A Article III.F.7) regarding the complaint filed by Wayne Crowder and Marie Crowder concerning alleged misconduct at Mid-Atlantic 2017. The complaint contained potentially damaging information submitted by Daphna Locker in a DanceSport Officials Report, outside submission requirements in the Rule Book, circulated and discussed in social media without due process as outlined in the Rule Book as applies to DanceSport Officials and Adjudicators.

Mr. Michael Murphy, Investigator, found no fault on the part of either Wayne Crowder or Marie Crowder. In reading the Investigators Report the Executive Committee has issued a Letter of Reprimand to Ms Daphna Locker and confirms the innocence of Wayne Crowder and Marie Crowder. The Letter of Reprimand to Ms Daphna Locker, with the Investigators Report, is posted on the USA Dance, Inc WEB at www.usadance.org/news/disciplinary-actions
