Re: NEW SENIOR VICE PRESIDENT – PETER POVER

November 5, 2015

The Governing Council of USA Dance, Inc. duly convened by conference call to appoint and ratify a Senior Vice President to the Executive Committee of the Governing Council, as result of the recent resignation of Gregory Warner, who had served as National Secretary and then Senior Vice President since 2013.

The Governing Council voted to appoint and ratify Peter Pover as the new Senior Vice President of USA Dance.

A long-standing member since 1980 and accomplished national executive officer of USA Dance, Peter has served as national President of USA Dance during two terms of office, 1988 to 1993 and 2008 to 2009.

He is a member of the Martin St. Lucie (FL) Chapter 6047, a USA Dance national adjudicator, WDSF licensed adjudicator and chair of adjudicators, former WDSF President and former USA Dance National Standard Champion.

During the years 2008-2009, as president of USA Dance, Peter was responsible for the rebranding of the National DanceSport Championships and collaborations with national media and dance organizations. In 2010, he secured the WDSF Latin World Championships to be hosted within the USA, founded the Star Quality Awards and other major sponsor programs.

During his initial presidential term of office, 1988 – 1993, Peter played a major role in the unification of amateur DanceSport competitors in the USA and was part of the IDSF Presidium leadership that gained IOC recognition for DanceSport in 1997 to pave the way for DanceSport into the Olympics and the World Games.

Since 2009, Peter has served on several national nonprofit boards and as a valued member of the USA Dance Past Presidents' Council, serving as an advisor to the USA Dance Governing Council. He is a Chartered Management Accountant and an avid golfer. He lives in PGA Village in St Lucie County, Florida with his wife Ida.
